

Hello,

I am reaching out to you on behalf of [The Father's Group](#), a Black-led nonprofit supporting young Black, Indigenous, Latino/Latina/Latinx, and Asian Peoples of Color (BILAPOC) in central Oregon. We are gathering information from young BILAPOC to assist in developing a youth program that supports their growth and sparks their interests.

If you are a young BILAPOC or ally in central Oregon please take a moment to tell us a bit about yourself:
